

Robotics kit Kassow

Flexible holder system

PRODUCT INFORMATION

Sets specially designed for cable routing on Kassow robots.
The assembly includes the protective hose, end sleeves and the appropriate fastening with non-slip hook-and-loop tape. For an easier installation of pre-assembled cables, the protective conduit is available in slotted LS.

The set offers a lowest possible interference contour for a low risk of damage.

- Optional accessories:
- KKU-Fix - hook-and-loop tape silicone-free
 - KBM 840 - metal cable ties
